Don't Miss Out! Sydney Chocolate Ball Tickets Now on Sale!

Tickets for the highly anticipated 8th Annual Sydney Chocolate Ball on Saturday June 17th at The Star are now on sale.

Built upon the fun fact that chocolate is high in antioxidants and foods high in antioxidants are good for your muscles, the FSHD Global Research Foundation created Sydney's most iconic night of nights.

Hosted by Jamie Durie OAM, this extravagant night will feature world class entertainment, a chocolate inspired menu designed by celebrity chef Luke Mangan, and an abundance of fine champagne and Lindt chocolate.

Labeled as 'The Logies of Sydney' this sought after gala dinner offers an ideal environment for entertaining and networking with your clients - with access to Corporate Australia and celebrities across various industry sectors.

If you have not yet secured your table please contact

Our Ambassador: The Star of the Ring!

We were proud to be one of the benefiting charities of the Ladbrokes Star of the Ring Charity Fight Night held on the 9th December at the Hordern Pavilion.

Todd Carney & Chris Sandow got the crowd on their feet with an entertaining and extremely close fight with the judges scoring it a majority draw. The final fight of the night saw Junior Paulo and Paul Gallen keep up the energy in an explosive battle. Congratulations to FSHD Ambassador Paul Gallen for coming away undefeated with his 7th professional bout win.

We would like to thank the team at No Limit Boxing Promotions for their generosity in making us a charity beneficiary and to everyone who came on the night and helped raise money for FSHD Global Research Foundation.
